FAQS

Which languages do students study in Year 7?

Students will either study French or Spanish in Year 7

Are there any language clubs?

We have French and Spanish clubs at lunchtime that are run by our language assistants and all Year 7s are welcome to them, regardless of which language they are studying

Do students continue with the same language?

Yes, students continue with the same language until the end of Year 9 when they can choose to continue studying to GCSE

Do students need their own dictionary?

A small pocket dictionary is encouraged

Do students get to choose their language?

Students are allocated a language

at the start of Year 7?

We try to accommodate preferences but this is not always possible or promised

Are there any trips?
YES!

How many hours a week of languages do they have?

Year 7 have five hours of language lessons over a two week timetable

If students speak another language at home, can they sit an exam in this language?

Students can sit exams in heritage languages, but will need to be proficient in all skills
