January 2016

Dear Parents/Carers

Happy New Year!

Year 12 A levels students have their PPE (pre-public exams) next week. Please ensure that your son/daughter is fully prepared for these examinations and they know where and what time each exam is. Results will be published on the 3rd February.

There is a parents evening on Thursday 4th February where you will get the chance to make appointments with your son/daughters subject teachers. There will be a parent mail next week with more details.

Can I urge you to support your son/daughter in arranging their work experience placement. They must have all forms returned by Monday 21st March. For all students thinking of applying to university I highly recommend applying for a taster course. These are free courses run by London Universities and are offered in a wide variety of subjects. Application is now open and will close on Wednesday 13th January. Please encourage your son/daughter to have a look at what is on offer and apply for courses of interest. The website is www.london.ac.uk/tasters

Yours sincerely

Miss K Brewer
Assistant Headteacher, Head of Sixth Form
