

## Childcare BTEC level 3

Development is the skills and knowledge that children gain.

Children's development is usually referred to as developmental milestones.

In Childcare we look at child's development from birth to 8 years of age in **five** different areas.

### Areas of development

**Physical development**

**Cognitive/intellectual development**

**Language development**

**Emotional development**

**Social development**

### TASK

- Research the expected pattern of children's development from birth to 8 years.
- Produce a booklet or PowerPoint presentation to show what a child is expected to achieve for each of the above five development areas between the ages of 0-8 years of age.  
For example-  
Physical development – 12 months – can stand alone.  
Language development – 4 years – may use 1500 words and asks questions
- You will need a different page for each **area of development**
  
- For each page include the ages of-
  - Birth to 2 years
  - 2 to four years
  - 4 to 8 years
  -
- Produce a front page to include your name and title it child development
