FRENCH CINEMA

Homework

- Read the attached information overleaf and suggestions for your research
- Research some of the films mentioned below and write summaries in French
- If you have streaming accounts or can access the DVDs, choose at least one film to watch
- Prepare a short presentation IN FRENCH (1-2 min) to explain to your peers in September what inspired you to choose this film (whether you succeeded to watch it or not)
- and what surprised you/what you liked/disliked about it/what French you learned
- If you didn't watch the film, instead talk about what films you like and why
- You can find some KS4 vocabulary on the third page

Edited from: <http://www.thetutorpages.com/tutor-article/a-level-french/for-the-love-of-french-cinema/6276>

When learning a language, watching films and being immersed in the language and culture is invaluable. Contemporary French cinema is also rich with culture and diverse genres. Below is a list of films that are a good place to start for those studying French. You will find information about them on <http://www.allocine.fr>. You will need to search and select to access the descriptions of the films and access interviews and trailers (*les bandes-annonces*)
