11/12/2017

Dear Parent/Carer

I am writing to inform you that the progress update report for this term has been given to your son/daughter. This details their current attainment grade for each subject and their growth mindset attitude to learning.

Please read the information provided in the report for more details about the grading system used.

Following the report some students will be placed on a support programme with their form tutor. You will be given more detail about this if it applies to your son/daughter.

Please can I also remind you that all year 12 students will complete work experience 26th – 30th March 2018. They must arrange this placement themselves and return all forms to the sixth form office by 4th January. The placement cannot be paid and should be challenging and related to either their potential career or a course they are currently doing.

There is a parents evening on Thursday 25th January for you to come and discuss your son/daughters progress with subject teachers. More details will follow next term.

On Tuesday 30th January there will be a Careers workshop day for all year 12 students. Students will be able to attend a number of 30 minutes workshops/presentations on a variety of careers/higher education. If you (or someone you know) would be prepared to deliver one of these 30 minutes sessions we would love to hear from you. Please contact me on: admin@blackfen.bexley.sch.uk

Thank you for your ongoing support. I wish you all a very Happy Christmas.

Yours sincerely

Miss K Brewer
Assistant Headteacher, Head of Sixth Form
